

Now more than ever it is important for all of us to focus on green initiatives. Recycling is not only a positive step for your business, New York State law now requires that businesses who are not donating their used electronics to recycle the equipment.

DP Consulting Services Inc is proud to offer FREE* computer recycling services for our clients. When your equipment fails or has reached the end of its life-cycle and is up for retirement, we will arrange for your electronic equipment to be safely recycled. Our service goes the extra step and ensures your data is safely and securely removed from your equipment before it is processed.

Call us today at 516.797. 2233 if you're ready to start recycling!

*FREE Recycling service is only available to DP Consulting Service Inc clients, and recycled equipment must be replaced by like equipment purchased and installed by DP Consulting Service Inc
